Welcome to our spicy book club resource page, where we turn the page to a whole new chapter of fun! Get ready to dive into a world of plot twists and character arcs as we leaf through our current book selection. We've provided the Dirty Dozen; twelve spicy and intriguing questions to spark discussion and help you uncover the spine-tingling depths of the story.

The Dirty Dozen

Foreplay - Warm Up Questions

1. What's the overall spice level? 1 (Not Spicy) - 10 (Spiciest Thing I've Ever Read)?
2. How does the spice level compare to the other books we've read together?
3. Play a few rounds of Would You Rather: Lights Out Edition.

Would you rather be a trauma nurse like Aly or a hacker like Josh?

Would you rather fall for a morally gray hacker with a protective streak like Josh or a straight-laced, emotionally available guy with zero criminal record?

Would you rather break into someone's apartment to leave them soup and meds or let yourself be cared for by someone who knows way too much about your past?

Would you rather be tracked and protected by an anonymous online stalker with good intentions or have no idea you're being watched but live in blissful ignorance?

Would you rather risk everything to take down someone like Brad yourself or trust a morally questionable man with a ski mask and a mission to handle it for you?

Would you rather carry years of grief and unresolved trauma like Aly or carry the weight of secrets and generational baggage like Josh?

The Spicy Bits - Gettin' Down and Dirty with the Plot

4. Who's your favorite social media thirst follow—and does Josh give off that vibe or something darker and more dangerous?
5. Josh sneaking into Aly's place—hot, terrifying, or your exact toxic fantasy?
6. Dogs or cats—or Josh in a black hoodie? What's your emotional support animal (or man) of choice?
7. Josh worries he's turning into his father. Have you ever been scared of becoming someone you swore you'd never be?
8. Be honest—would you have gotten in the car with Josh that night?
9. Discuss that knife scene. Could you “handle” it?
10. What's more useful in the world today—Aly's trauma nurse instincts or Josh's hacker wizardry?
11. Would you have taken Brad out yourself, handed him over to the family, let him go, or pulled a mob move?

Aftercare - Final Thoughts

12. What moment hit hardest? Which scene made you pause, cry, rage, or fall just a little too hard for Josh?

Bonus: What questions do you have for the author? If you could dog-ear a page with a question for the author, what would it be?
