The Dirty Dozen

Foreplay - Warm Up Questions

1. What's the overall spice level? 1 (Not Spicy) - 10 (Spiciest Thing I've Ever Read)?
2. How does the spice level compare to the other books we've read together?
3. From Austin to New Orleans, each club had a different flavor — but none matched Salacious. Which club's vibe would you most want to explore in real life — and why? What's your ideal combination of ambiance, anonymity, and kink?

The Spicy Bits - Gettin' Down and Dirty with the Plot

4. Watching a demo is one thing. Participating in one while your best friend or their partner watches? That's a whole new level. Could you handle being center stage in a shibari scene — or would you need a blindfold and a shot first?
5. "There's a kink for everyone." Which taboo or lesser-known kink did this book make feel more approachable or intriguing? Did hotwifing spark curiosity or straight-up panic?
6. Risking your relationship for exploration is a bold, sometimes reckless, move. Would you ever open the door to your partner being with someone else... even once? What if they liked it too much?
7. Hunter's relentless pursuit sometimes toes the line between dominance and manipulation. Where's the line between seduction and coercion for you? Did his tactics thrill you — or raise red flags?
8. The tension between wanting something and thinking it's "wrong" is a recurring emotional knot. Have you ever shamed yourself for wanting something

unconventional in bed — and what helped you let go of that judgment?

9. Drake's assumptions about what Hunter thinks of his bisexuality / sexual behavior nearly burn everything down. When have your own assumptions in love or lust turned out to be dead wrong — and what did it cost you?

10. What did you think of the pitch dark room and Hunter and Drake's experience?

11. *“Drake, can we put a hot tub in the VIP room? Drake, can you make one of the rooms look like an outdoor hiking trail? Drake, can you build me rafters to hang from so I can masturbate in midair?”* Which one of her outrageous requests would you absolutely make happen — and which one would you pretend you were too busy for?

Aftercare - Final Thoughts

12. Do you believe in soul mates? Do you believe a best friend can be a soul mate — or are romantic and platonic connections fundamentally different for you?

Bonus: What questions do you have for the author? If you could dog-ear a page with a question for the author, what would it be?
