We've provided the Dirty Dozen; twelve spicy and intriguing questions to spark discussion and help you uncover the spine-tingling depths of the story.

## The Dirty Dozen

### Foreplay - Warm Up Questions

1. What's the overall spice level? 1 (Not Spicy) - 10 (Spiciest Thing I've Ever Read)?
2. How does the spice level compare to the other books we've read together?
3. Have you ever had—or fantasized about having—a meet cute like Elara and Tynnan's? One that feels romantic but a little dangerous, a little unhinged? Where's your personal line between thrilling and terrifying?

### The Spicy Bits - Gettin' Down and Dirty with the Plot

4. Tynnan's first offer comes with strings, power plays, and a whole lot of zeroes. Would you have said yes? And what would your price be to enter a marriage like that?
5. Discuss the scene at the shelter. If you had the means, would you have done what Tynnan did to get your own way? Was it worth it?
6. Would you have trusted Tynnan with the full story of your past like Elara eventually does? Or would you have kept it buried, even in a relationship built on secrets?
7. Elara's Gran says a marriage built on attraction and security can work. Do you agree? Is love necessary to start something real, or can it grow from control, chemistry, and mutual benefit?
8. With a \$500,000 spending limit before anyone starts asking questions, how hard would you go? What's the first thing you'd buy—and what indulgence would make you feel the most powerful?

9. Private jets. Bodyguards. Designer fittings. Fear that you're always being watched. What part of Elara's new life would you crave—and what would quietly destroy you?

10. Tynnan brings Elara's grandfather home without asking. Power move, or violation of trust? How would you react if your partner made that kind of intimate decision without telling you?

11. If you read *Ruthless Savage*, did you see this side of Rogue coming? Was it satisfying or jarring—and does it make you want his story even more?

## Aftercare - Final Thoughts

12. What was the most shocking twist or reveal in *Brutal Savage* for you? Did anything completely flip your perception of the characters or their relationships?

Bonus: What questions do you have for the author? If you could dog-ear a page with a question for the author, what would it be?
