The Enticing Eight

Foreplay - Warm Up Questions

1. What's the overall spice level? 1 (Not Spicy) - 10 (Spiciest Thing I've Ever Read)?

2. How does the spice level compare to the other books we've read together?

3. How would you feel about living in a town where every day was basically Halloween? Would it feel magical or a bit too much?

The Spicy Bits - Gettin' Down and Dirty with the Plot

4. Have you ever uprooted your life for a fresh start and, if so, did it feel more like escape or opportunity?

5. If someone kissed you within fifteen minutes of meeting, would you lean in and join them, or shove them away for crossing the line?

6. What did you think of Lydia and Harrison's first interactions? Was their immediate chemistry believable, or did it feel too familiar too fast?

7. Do you think Lydia and Harrison's bond was forged more from passion, circumstance, or genuine destiny? Which of those makes a stronger foundation for love?

Aftercare - Final Thoughts

8. If your entire identity (as a shifter, witch, or otherwise) was stripped away, how would you rebuild yourself?

Bonus: Would you have wanted this to be a full-length book rather than a novella or was it perfect as is? If you're a fan of the Nocturne Falls books by Kristen Painter, did this live up to your hope for more from the town and its cast of supernatural characters?

Feel free to use this page as a starting point for your discussions and as a space to share your thoughts and insights about the book! Don't forget to bookmark this page for future book club adventures!
