Welcome to our spicy book club resource page, where we turn the page to a whole new chapter of fun! Get ready to dive into a world of plot twists and character arcs as we leaf through our current book selection. We've provided the Dirty Dozen; twelve spicy and intriguing questions to spark discussion and help you uncover the spine-tingling depths of the story.

## The Dirty Dozen

### Foreplay - Warm Up Questions

1. What's the overall spice level? 1 (Not Spicy) - 10 (Spiciest Thing I've Ever Read)?
2. How does the spice level compare to the other books we've read together?
3. Do you love your name, or did you reinvent yourself with a nickname that fits the version of you the world should see?

### The Spicy Bits - Gettin' Down and Dirty with the Plot

4. Family loyalty vs. chosen family. Where do you stand when blood ties clash with emotional sanity?
5. Ever feel stuck in the version of "you" that old friends or family still expect you to be? How do you break out of that box?
6. In friendships, do you naturally take the lead in keeping the connection alive, or do you wait to see if they show up too?
7. . What oddly-specific niche interest would delight you to learn your partner secretly shares? (Bonus points if it's weird.)
8. Worst first-date meltdown you've experienced — and would you have bailed and called your comfort person like Lu wanted to call Noah?
9. Ever trusted someone totally and then felt foolish when it blew up? How do you rebuild trust in yourself after picking wrong?

10. Sudden, surprise bedroom vibes when you're not - or barely - awake. Dreamy and romantic, or “absolutely not until I’ve had coffee”?

11. Spicy games: ever played (or been tempted to play) something like strip poker, truth-or-dare-but-dirtier, etc.? What makes it fun or terrifying?

## Aftercare - Final Thoughts

12. When a relationship hits a moment of rupture, are you the type who needs solitude to process, or do you want to talk it out right then? And how do you know when to fight for something versus gently letting it go?

Bonus: What questions do you have for the author? If you could dog-ear a page with a question for the author, what would it be?
