Welcome to our spicy book club resource page, where we turn the page to a whole new chapter of fun! Get ready to dive into a world of plot twists and character arcs as we leaf through our current book selection. We've provided the Dirty Dozen; twelve spicy and intriguing questions to spark discussion and help you uncover the spine-tingling depths of the story.

The Dirty Dozen

Foreplay - Warm Up Questions

1. What's the overall spice level? 1 (Not Spicy) - 10 (Spiciest Thing I've Ever Read)?
2. How does the spice level compare to the other books we've read together?
3. Nesta's power is described as "*silver flame*" from a "*colder, darker place*" compared to Amren's light/heat (Ch. 1). If her magic had a scent, sound, or taste, what would it be? How does this reflect her emotional state at the start of the book?

The Spicy Bits - Gettin' Down and Dirty with the Plot

4. Nesta uses anger as armor. When have you seen this backfire? How does Cassian's training force her to confront this?
5. "*We're even now*" (Ch. 22) vs. "*Keep reaching out your hand*" (Ch. 8). Cassian and Nesta's relationship is built on debts and defiance. When does their dynamic shift from transactional to vulnerable? Which moment sealed it for you?
6. How does Cassian's roughness - and his patience with her - challenge her deeper fears about control and worthiness? What does his teaching style reveal about their sexual tension?
7. Nesta channels rage into physicality and later learns stillness. Which method feels more true to her character? How does this duality play into her healing?
8. Discuss the sleep over. What would you have asked the house for?

9. Gwyn and Emerie demand honesty, while Cassian offers unconditional support. Which relationship challenges Nesta more? How does female friendship fuel her growth differently than romance?

10. Discuss the Blood Rite and its outcome. What did you love? Would you have wanted anything different from it or was it satisfying?

11. What small moment in the book hit you hardest as her turning point? Was it gradual or sudden? (Debate: Did the Dread Trove quest distract from her internal journey?)

Aftercare - Final Thoughts

12. If Nesta wrote a letter to her past self at the start of the book, what would it say? What's one thing you'd take from her journey into your own life?

Bonus: What questions do you have for the author? If you could dog-ear a page with a question for the author, what would it be?
